

# Young Leader Training

1<sup>st</sup> – 3<sup>rd</sup> February 2019

We are now using an online system called Online Scout Manager to easily coordinate all our admin for Young Leader Training. It is a safe, secure and GDPR compliant system that saves Leaders a lot of time and it also saves a lot of paper.

This system also has a portal for Parents/Guardians to access and provide us with all the details we need, without having to complete any paper forms.

If you would prefer to complete the booking form this way then please email [yladmin@humbersidescouts.org.uk](mailto:yladmin@humbersidescouts.org.uk) with your young person's name, date of birth and their Scout Group. We will then send you a link to access the portal called My.Scout.

Otherwise you can print off the booking form below and fill it in manually.

Confirmation emails will be sent to the email address provided so please make sure it is readable on paper forms.

Completed booking forms should then be sent to:

YL Training Admin

**All bookings, electronic or paper, should be received by Friday 25<sup>th</sup> January 2019 to secure your place. Bookings received after this date are not guaranteed a place on the training.**

**Note:** The medical profession takes the view that the parent's/carer's consent to medical treatment cannot be delegated. This view is explicit in The Children's Act 1989. Thus, medical consent forms have no legal status and a doctor or nurse insisting on the consent of a parent/carer to a particular treatment has the right to do so. For this reason we do not recommend that Leaders insist on parents/carers signing the statement above. However, it can be a comfort to medical staff to have general consent in advance from parents/carers or to have a Leader on hand able to sign forms required by medical authorities.
