## Austria Update 2 Webinar

### Kit we said we would provide:

- 1 holdall bag
- 8 t-shirts
- 1 hoodie
- 1 UK necker
- 1 Austria badge
- 1 UK badge

### Additional kit we have managed to include!

- 3 extra Austria badges each
- 1 water bottle  
(that will last the week)
- 1 Austria branded cup  
(that you will get to keep)
- Passport holder and Sub  
Camp coloured lanyard

# Austria Kit List

**Personal Kit** – Going inside your holdall that has been provided.

Everything must be clearly marked with the young person's name; it is inevitable that we will find something that does not belong to anybody at some point during the camp. With this in mind, it may be useful if young people are encouraged to pack their own bags.

**Clothing needs to be appropriate and practical for the event, it really is not a fashion parade. If you can see up it, down it or through it, it is not suitable to be worn on camp!**

- Current Cub/Scout/Explorer/Leader Uniform top
- Sufficient changes of clothes for the week
  - Long trousers
  - Shorts
  - Underwear
  - Socks
  - Austria t-shirts – These will be worn during the day. You will travel there and back in your Sub Camp's colour.
  - Tops – To wear on an evening.
  - Austria Hoodie – You may bring another jumper as well if you wish, it will likely be warm at this time of year in Austria.
- Pyjamas
- Waterproofs – Coat and trousers
- 2 pairs of shoes – You can be wearing one and you will need some suitable to walk across wet grass in the morning.
- 2 towels – One for activities and one for washing.
- Wash kit – Including shower gel and brush / comb – these will be used!
- Hat - Sun protection is as important.
- Swimming clothes
- Torch and batteries - Consider spares if required.
- Spare glasses - If worn and available.
- Sunglasses
- Sun cream (minimum factor 30) – We would recommend spray suncream where possible.
- Any appropriate medication to last for the week – This should stay in your holdall during travel and then it must be handed in when we arrive at the campsite.

All electronics are brought at your own risk and there are no charging facilities available.

**Personal Kit** – Outside of your holdall.

- Sleeping Bag – With your coloured identity tag attached (supplied in your holdall bag).
- Roll Mat - With your coloured identity tag attached (supplied in your holdall bag).
- Tent – Your Group will have arranged who you are sharing with and who will be responsible for bringing the tent to the coach pick up point.

You won't need anything else outside of your holdall, which will be evident when you get to Austria, as it won't be loaded on the coach.

**Personal Kit** – To take in the coach with you or in your day bag.

Your day bag is not provided, please bring your own sensible sized rucksack.

- Lanyard and passport holder, containing your passport and GHIC card – This should be around your neck when you board your first coach. **No passport, no travel.**
- Austria t-shirt – You must be wearing this in the colour of your Sub Camp.
- Austria Necker – You must be wearing this.
- Austria Hoodie – You may need this when getting off the coach for toilet breaks during the night.
- Spending money – No more than £50 in Euros, or on a card such as a Revolut card. **Young people will be responsible for looking after and managing their own money throughout the trip.**
- Packed breakfast and lunch – This must be eaten before you leave the UK. The first meal we will provide will be your Sunday evening meal (on the ferry).
- Filled water bottle
- Pillow – This is optional as you will need to sit with this on the coach, it won't go underneath.

**Things you will not need:**

- The kitchen sink!
- Plates, dishes, knives, forks, spoons, tea towel, etc – This will all be provided.
- Pen knives, or knives of any kind – This includes multitool, Swiss army knives and similar items.
- Water pistols
- Electronic games, tablets, etc
- Lighters or matches
- Cigarettes or vapes of any kind are strictly prohibited for anyone under 18.
- Anything that you would be upset about getting lost or broken.

**Remember, everything that you bring, you must be able to carry by yourself.**
