- ) I hereby give permission for my son/daughter to attend the Speak Up Course at Raywell Park on 4/5 November 2017
- ) I understand that the Leader in charge reserves the right to send any participants home if necessary.
- ) I will inform a Leader if any of the information given on this form changes before the event takes place.
- ) If it becomes necessary for my child to receive medical treatment **and I cannot be contacted by telephone or any other means to authorise this**, I hereby give my general consent to any necessary medical treatment and authorise the Leader in Charge (or in their absence one of the assistant leaders named above), to sign any document required by the hospital authorities.

Note: The medical profession takes the view that the parent's consent to medical treatment cannot be delegated. This view is explicit in the Children Act 1989. Thus medical consent forms have no legal status and a doctor/nurse insisting on the consent of a parent to a particular treatment has the right to do so. For this reason we do not recommend that Leaders insist on parents signing the medical treatment statement above. However, it can be a comfort to medical staff to have general consent in advance from parents or to have a Leader on hand able to sign forms required by medical authorities.
