

Dear Colleague,

Thank you for showing interest in applying for a position in the leadership team for the Humberside County Unit that will be attending the 24th World Scout Jamboree to be held in North America in 2019.

There are 4 Leader positions available (1 Unit Leader, 1 Deputy Unit Leader and 2 Assistant Unit Leaders). To aid in your decision on whether to apply and for which position/s to apply for we have produced a Unit Leader Pack that is attached to this letter along with an application form. This pack should be read and fully considered before submitting your application.

We are sure that a large number of adults will want to take part in this event as part of the Unit Leadership Team and so the pack includes a role description and person specification for each role to highlight what the roles entails and the skills and experiences we are looking for to ensure we can deliver a unique experience for the young people attending.

There will be an open evening for everybody interested in attending the Jamboree as Unit Leaders or Youth participants in the Nyeri Building at Raywell on the 8th of June 2017. Please feel free to call in during the evening and have a chat with us any time between 6.30pm and 9.00pm.

The selection panel are keen that every adult in County that wants to apply should do so, and consider the Jamboree experience a development opportunity for adult volunteers, as much as for young people.

The information you provide within your application form will form the basis on which to make a decision about inviting you to an interview. The interview process will be short and friendly – we want to find out about you and why you want to go to the Jamboree, listen to some of your experiences in and out of Scouting, and to understand what you would bring to a leadership team.

All successful applicants for an interview for the role of Unit Leader will be invited to Raywell on the evening of the 22nd of June 2017. Candidates will be interviewed by a Selection Panel. The selection panel will consist of two adult and two youth members from Humberside Scout County. After the interviews for the role of Unit Leader are concluded, the Selection Panel shall recommend a candidate to the County Appointments Team for their final approval. The successful candidate will be notified before the end of June.

The Unit Leader will then join the selection panel to help appoint the Deputy and Assistant Unit Leaders. The selection for these roles will be held throughout the day on the 22nd of July 2017, again at Raywell. The selection will involve an interview and a short (15-30 minute) observed activity with a group of Jamboree age young people. Subject to approval from the County Appointments Team, the successful interviewees will be notified before the end of July.

These are the only scheduled dates for selection. Some people may not be able to make these dates, the selection panel may at their discretion, grant an interview at another time, date or location, please get in touch via jamboree@humbersidescouts.org.uk. However, alternative interview dates are likely to be limited to people attending the weddings of family members or people with pre-booked holidays. This approach is justified by the fact that attending the Jamboree requires a great deal of personal commitment from the outset.

Please note, the deadline for applications is the 15th of June. All applications must be submitted by post to the County Office, Raywell Park, Raywell, East Yorkshire, HU16 5YL or by email to jamboree@humbersidescouts.org.uk. You will receive confirmation that this has been received within 2 working days. Unfortunately, applications submitted after this deadline will not be considered. If you don't hear from us within 2 working days of submitting your application please phone 01482 655732 and double check receipt.

If you apply for the role of Unit Leader and you are unsuccessful you will automatically be considered for the Deputy and Assistant Leader roles. Similarly if you apply for the role of Deputy Leader and you are unsuccessful, you will be considered for the role of Assistant Unit Leader.

All unsuccessful applicants should be mindful of the opportunity to attend the Jamboree as part of the International Service Team that will be selected in 2018 and other International Opportunities.

We do hope that you will apply to join our Jamboree team and contribute to ensuring the young people in the County Units to the World Scout Jamboree have the best possible experience.

We look forward to receiving your application soon. Good luck!

UNIT LEADER PACK

24th WORLD SCOUT JAMBOREE

NORTH AMERICA 2019

Introduction

A World Scout Jamboree is a world Scouting event for young people aged between 14 and 18 and is a gathering of Scouts and Guides from all over the world for an exciting programme of global development, peace, cultural understanding, adventure, fun and friendship.

The Scout Association has a long history of sending large number of Units (36 young people and four leaders, divided into four patrols) as part of a UK Contingent to attend Jamborees. In 2007, The Scout Association hosted the 21st World Scout Jamboree at Hylands Park in Essex. In 2011, the UK Contingent to the 22nd World Scout Jamboree in Sweden was the association's largest ever overseas expedition. In 2015, the UK Contingent to the 23rd World Scout Jamboree in Japan comprised over 3,500 youth and adult members. Each Contingent has enjoyed a varied and exciting experience.

The 24th World Scout Jamboree will take place at the Summit Bechtel Reserve in West Virginia and the dates of the event are 22 July – 2 August 2019. The event is being hosted by the Boy Scouts of America, Scouts Canada and Scouts of Mexico. This is the largest event delivered by Scouting worldwide and 45,000 young people and adult volunteers are expected to attend from over 150 countries.

UK Contingent

The UK Contingent to the 24th World Scout Jamboree will once again enjoy all the excitement and experiences that a World Scout Jamboree offers, and the Contingent Management Team (CMT) is planning to send a contingent the size of 10% of the total attendance at the Jamboree; the exact numbers are yet to be confirmed by the Jamboree Organisers.

Humberside County is delighted with the recent news that we have been allocated a whole unit of 4 Adult Leaders and 36 Young People.

The exact format of the Jamboree experience is still to be developed, but each Unit will take part in the Jamboree and hopefully participate in homestay with a family from one of three host nations. There may also be some form of UK Contingent led programme; whilst the location is to be determined, it is anticipated that this will be over several days and will give Units the opportunity to create, shape and develop their own activities, in addition to any centrally led activities.

What do we know about the Jamboree so far?

The 24th World Scout Jamboree will take place at the Summit Bechtel Reserve in West Virginia which is a 10,000 acre site and the dates of the Jamboree are 22 July – 2 August 2019.

For the first time, a World Scout Jamboree will be hosted by three National Scout Organizations and the three distinct cultures will join together to host Scouts from across the World in a celebration of cultural exchange, mutual understanding, peace and friendship.

Further information about the Jamboree can be found at <http://2019wsj.org/>.

What to expect during the event?

Weather

The month of July in West Virginia is usually hot and humid, with daily high temperatures of around 26°C. Some rain, particularly thunder storms are likely during the summer months in West Virginia. Humidity is likely to be high during the Jamboree, and this will make the 'real feel' temperature seem much hotter than the forecasted 26°C.

The Site

Summit Bechtel Family National Scout Reserve is in an area of natural beauty which offers a huge range of adventurous activities. The site is hilly, spread over a large area with access provided by gravel pathways.

Below are some highlights of what the Summit Bechtel Reserve has to offer:

- Longest combined zip lines in the world (5.45 miles/8.7 kilometers)
- Longest canopy course in the country (9.55 miles/15.3 kilometers)
- Largest man-made outdoor climbing facility in the country (218 stations)
- Top purpose-built mountain biking facility in the country
- Second-largest outdoor skate park in the country (4.6 acres/ 1.7 hectares)
- Second-largest BMX facility in the country (13.7 acres/ 5.3 hectares)
- Third-largest archery range in the country (116 stations)
- Largest natural outdoor arena in West Virginia (80,000 capacity)
- Access to one of the top-rated rafting, kayaking, and fishing rivers in the country
- Access to some of the most popular climbing areas in the country.

Costs

The CMT is currently working on the costs for UK Contingent participants for the Jamboree, which we envisage will be in line with previous Jamborees. As with previous Jamborees, the costs will be paid in instalments and the instalment payment period is likely to run during 2017 and 2018.

Local fundraising efforts for Jamboree participants are encouraged to focus on supporting young people to attend, however, financial status should not be a barrier to supporting the Jamboree. Further information about covering the cost of the Jamboree (including any grants available) will be issued once available.

Make up of a Jamboree Unit

Every Jamboree Unit is made up of 36 young people (in Patrols of 9) and 4 Leaders (one for each Patrol). The 4 Jamboree Unit leadership roles are: A Unit Leader, a Deputy Unit Leader and 2 Assistant Unit Leaders. All roles will be allocated on the basis of merit of the applicants.

Considerations for prospective Unit Leaders

It is strongly recommended that the following are considered before application:

Introduction

The primary role of Unit Leaders at the Jamboree is to properly prepare the Unit to ensure the participants enjoy the experience and gain the most from the opportunity.

The Unit Leader roles are time consuming, demanding (physically and mentally), and at times can be challenging.

Time Commitment

In addition to the time commitments in regard to the attendance at the Jamboree and post events activities, Unit Leaders, when they take on the role, also make the commitment to attend UK Contingent Unit Leader training events, organising Unit training events and taking part in any local debriefing/feedback process.

Unit Leaders will be a key point of information for participants and their parents/carers, and time answering queries outside of briefing weekends/formal briefings also needs to be considered.

The Unit Leadership Team are ambassadors for the Jamboree at a local level, and attendance may be required for meetings (Executive Committee, AGMs etc.) in addition to Leadership Team planning meetings.

The Unit Leadership will also be responsible for the implementation of the personal development programme to the Unit. The embedding and undertaking of the programme is also likely to require a time commitment to implement (see further information below).

Experience

Unit Leaders must understand and implement the Method of Scouting effectively to for young people of both Scout and Explorer age and commit to enacting the Values (care, co-operation, belief, respect and integrity) at all times. The Jamboree Unit is not a Scout Troop or Explorer Unit, but techniques in the management of young people from both Sections will be important.

It is critical that all Leadership Team Members appointed have the skills and drive to facilitate the development of young people in the age range.

During the period of the Jamboree, Units will camp and whilst food will be provided, catering will be responsibility of the Unit. Unit Leadership Team should have the necessary camping and cooking skills to train participants in these skills, to ensure that participants are able to spend as much time as possible experiencing all the Jamboree has to offer. Basic camp safety and hygiene are skills that all participants should have developed throughout the Unit training programme.

Individual members of Unit Leadership Teams are likely to need to adopt specific roles within the Unit, such as first aid, quartermaster, administration, pastoral care and communications. Consideration may need to be considered as to how the specific roles can be shared amongst the team, as opposed to be completing by the Unit Leader. As Units are formed, participants might be able to undertake certain tasks, instead of Unit Leaders. Further information about “Communications Champions” within the Unit, responsible for internal and external communications for the Unit and linking these to wider County, Area or Region communications, will be released later.

Whilst experience of working with the age range is crucial, a Unit needs a positive blend of experience and youth in its leadership team and blend of male and female leaders. Diverse teams are strong teams.

Personal Attributes

The Unit Leaders must be open minded and be willing to receive the ideas and initiatives of others whilst fostering a sense of equality and mutual understanding to develop a team which has shared responsibility for the success of the Unit.

Unit Leaders must have a strong personal belief in the importance of youth involvement (being “youth shaped”) and understand the benefits of actively involving young people in every aspect of Scouting. Unit Leaders must show a vision as to how the Unit can be youth shaped, which may include Unit Forums, or involving youth representatives in shaping the experience and direction of the Unit. Unit Leaders must show they are prepared to allow participants to be involved in decision making at all levels of Unit life.

The Unit Leadership Team should be role models for sensitivity and cultural awareness during the Jamboree and the build-up to it. The Leadership Team should also support young people to interact with, explore and appreciate a variety of culture.

Personal Considerations

A role within the Unit Leadership Team is both physically and mentally demanding. Life at the Jamboree for Leaders is likely to involve long days, whilst sleep will be at a premium. The Jamboree site is very large, and transport around the Jamboree site is likely to be minimal.

Given the pattern of the days, the Unit Leadership Team should have physical and mental stamina to deal with the environment and pattern of living. All members of the Unit Leadership Team must be self-reliant, robust and solution-based to ensure they are able to lead and support young people throughout the Jamboree experience.

Personal Development Programme

Please note that it is the intention of the CMT to develop a range of resources to support a full programme of personal development for each member of the UK Contingent. The programme will seek to ensure that participants and Unit Leadership Teams will return from the Jamboree with skills and experiences that will aid their development personally and within local Scouting. The addition of a personal development strand to the Jamboree experience is an important area of the UK Contingent programme, to support this it is essential that the Unit Leadership Team is fully engaged with the idea as without them the development opportunities for the participants will be reduced.

Person Specification for:

Unit Leader, Deputy Leader and Assistant Unit Leaders – Humberside County Unit attending the 24th World Scout Jamboree

The World Scout Jamboree offers a unique experience to each participant who attends and provides them with opportunities to develop their independence and self-confidence.

The role of the Unit Leadership Team is key in making sure that all participants in the Unit have a positive Jamboree experience – from the moment a young person applies to be a member of a Jamboree Unit through to the final Unit weekend, after return home from the Jamboree.

The Vision for the UK Contingent to the 24th World Scout Jamboree builds on The Scout Association's strategy: Scouting for all. The vision is:

The UK Contingent Team will deliver a unique international adventure shaped by young people, where contingent members will develop personally and have a positive longer term impact on Scouting and beyond.

Being a Unit Leader, Deputy Unit Leader or Assistant Unit Leader is challenging but is also extremely rewarding. The table below points indicate some of the skills and experiences that would be beneficial for those applying for a Unit Leader, Deputy Unit Leader or Assistant Leader role. Not everyone will have all the skills, and remember many skills and experiences are transferable from other situations (e.g. family life, work, other voluntary commitments). You should be able to help deliver a truly youth shaped experience. Please use this document (along with the role description) to help focus your application.

Please note:

The Jamboree is physically, mentally and emotionally demanding. Applicants should be aware of the nature of what is expected and be confident that they are able to contribute to all aspects of the Jamboree experience.

Applicants should be aware that the Jamboree experience may last up to three weeks subject to final confirmation on the makeup of the experience and therefore will need to be sure they have the support of employers and family to be able to commit to the event. Further, there will be a significant number of weekend and evening commitments in preparation and applicants should be confident they have time available amongst other commitments to fulfil the obligations of the role.
