Lots of Countries from all around the world take part in each Olympic games. Each Country brings a team of athletes that compete in a variety of different sports. They wave these flags at the opening and closing ceremonies and you can often see them on the clothes and sports kits that the athletes wear during the games.

If you were to enter your household into the Olympic Games as a Country, what would your flag look like? It may have your name on, symbols and pictures that represent what your household is like or enjoys doing. Draw a picture of it above and colour it in to show us.
