

Austria 2023

GO BIG OR GO HOME!

Only 6 months to go until our epic adventure!

SUB CAMP BOWLING

We hope that you all enjoyed meeting your sub camp team mates at our bowling events in January and February. We had a great time meeting you all and we definitely have some amazing bowlers out there! Photos from the day can be found on our Facebook group which is only open to young people and parents/carers of those going to Austria. If you haven't already done so, please follow this link and don't forget to add what group you are from:

ACTIVITIES IN AUSTRIA

Whilst we are in Austria we are going to discover the amazing world of salt! We will set out on an exciting journey back in time and find out all about the 'essence of life'. We are going to march into the depths of the world's oldest salt mine high above Hallstatt. There is a funicular, an underground train, slides and tunnels! This is definitely going to be one of your highlights!

TAKING PART

We have a few spare places and if you have any friends in your Group that want to come along, and we will try our best to get them on the same sub camp. Tell them to sign up on this form:
