Tariffs & Conditions – 2017

(1st January 2017)

During 2016 a major refurbishment of the toilet block at Melton took place that included at long last, the installation of a hot water system, private washing facilities for ladies and an extension to provide shower facilities for campers.

As a considerable amount of money has been invested in this project and the inevitable projected increase in running costs, the Trust has had to review camping fees for the first time in 8 years and make a small increase as follows:

Camping:

£1.50 per person per night for City of Hull Scout District (or £2.50 for 2 nights)

£1.75 per person per night for all other Scout Districts

£2.25 per person per night for all other organisations.

Charges include full use of the toilet block and water supply outlets on track for filling water carriers.

Shower Room:

The shower room has five unisex private cubicles and can be hired by any Group at a cost of £7.50 for a weekend (longer or shorter stays should be discussed with the booking secretary). A deposit of £10 will be required to obtain a key to the door which will be refunded on return of the key at the end of your stay. If more than one Group are on site at the same time then each will be required to pay the above rates.

All other tariffs for day use of the site, hire of the Lodge and all activities will remain unchanged for the coming year. Should you require a full list of tariffs and booking conditions etc. then please do not hesitate to contact me.
