

Scouts in Space

Kit List

The items listed below are in addition to your Leaders' kit list and your usual camping equipment.

Remember – don't bring your best clothes to camp, they're bound to get dirty whilst you're having fun!

Please refer to the parts appropriate for your Section.

Everyone:

- Space themed fancy dress for the campfire on Saturday night
- Spending money for the new Raywell Providore – this can be cash or card
Please follow your Leaders' instructions on how they would like this to be kept safe over the weekend.
- The following items of clothing will be required to be worn to do some of our adventurous activities:
 - Closed toe shoes
 - Long sleeved tops
 - Long trousers
 - Longer shorts that will protect you from harnesses
- Bobble to tie long hair back – for some adventurous activities

Scouts and Explorers:

If you wish to take part in the water activities over the weekend, then you will need the following items:

- Small bag or rucksack to take your things to the water in
- Old clothes to get wet in
- Swimwear to wear underneath old clothes
- Shoes that you can get wet – these must NOT be able to slip off
- Plastic bag to put wet clothes in
- 2 towels – one for getting dry at the water and one for having a shower when back on site
- Plastic box or lunchbox in case you go on the session over lunch – your Leaders will provide your lunch to take with you
