What is a Jamboree?

World Scout Jamboree

The World Scout Jamboree is the largest scouting event organised by the Scout Movement, gathering up to 50,000 people from all over the world. It is above all an educational event to promote peace and understanding. The World Scout Jamboree includes a wide variety of activities and also places great importance on the everyday life and interaction on the campsite.

The World Scout Jamboree takes place every four years in a different country.

Fundraising

- It is traditional for young people at both Cleveland and Humberside Scout Counties to fundraise the full attendance fee
- Some parents may wish to pay the attendance fee outright, although this is not recommended as fundraising provides so many personal development opportunities for our Young People
- Support and advice will be given by the Unit Leadership Team, but responsibility lies with individual families to pay the fee.
- In the interests of Inclusivity, Humberside Scout County would be happy to hear of any difficulties faced by Young People paying the fee.

Selection Process 2 of 2

Successful applicants will be notified if they have been selected and they will need to accept their place by signing up and paying a deposit of £200 by 14th November 2025.

Remember all adults and young people will be under review for engagement against standards agreed with all participants at the first camp in December 2025. For instance, working with others, and possessing a “have a go” attitude.

We know that sometimes people aren't having a great day, so we are giving everybody lots of opportunities to show their stripes before the Jamboree.

Sadly though if we don't see the evidence of engagement, the offer of a place in the unit will be withdrawn from the individual and a reserve member will be selected to replace them.
