Less than 3 months to go until our epic adventure!

PRE CAMP

We hope that you all enjoyed our Pre Camp at Primrose and had enjoyed spending time with your sub-camp. The team have taken a lot away from the weekend and we are confident that Actual Austria will be even more amazing now.

We will be posting photos on our Facebook page when we are away and, if you haven't already done so, please follow this link and don't forget to add what group you are from:

ACTIVITIES IN AUSTRIA

Water water water! Crystal clear water, majestic mountains and lush alpine pastures - we will definitely be visiting a water park whilst we are in Austria. We tried a few of these out when we visited so that we know you will all have a great time. Don't forget to pack a swimming costume!

FOOD!

What food would you like to cook in Austria? We've got this handy form for you to fill in please to let us know what you would like. We will then go with the majority votes. Our catering team have done a fantastic job looking at what food is available in Austria and you have quite a few options to choose from.
