What happens next?

- The response to Alpine Adventures 2028 has been incredible!
- We've had an unprecedented number of expressions of interest — far more than we ever anticipated.
- Following discussions with our ski company, we've been able to increase the number of young people we can take, which is fantastic news.
- However, even with those additional places, we currently have around two young people interested for every place available.
- Because of this, to make it as fair as possible, places will be offered on a first come, first served basis when bookings open.

BOOKINGS WILL OPEN AT 18:00 ON SUNDAY 18TH OCTOBER

We've chosen a Sunday evening deliberately to give as many families as possible the opportunity to be available when bookings open.

It also means that anyone unable to attend the Information Evening will have a few days to read through the presentation and consider all the information before deciding whether they would like to book.

23

Booking Process

1. Complete the online form
The link to this will be sent out this evening, but the form does not open until 18:00 on Sunday 18th October.
2. Await the email confirming completion of the booking form and this will contain your unique ID number.
This is not an instant email response.
3. Make your BACS payment of £149 to the details provided in the above email.

*We will give a 24-hour grace period for your payment to be made.
After this, the place will be given to someone else.*

24

Emails will be sent tonight to the parent's / carer's email address on the expression of interest form.
