

We're looking for a

FIRST AID TEAM LEADER

Join our County Team and help make sure volunteers across Humberside have the skills and confidence to keep young people safe.

YOU DON'T NEED TO ALREADY BE PART OF THE TEAM

You won't be expected to do everything yourself — you'll lead and develop a team. We can train you up, including the 16-hour first aid qualification and Scouts trainer learning where needed.

WHAT YOU'LL HELP LEAD

- Delivering First Response courses, face to face and online
- Making sure there are enough courses across Humberside to meet demand
- Supporting and coordinating First Response Trainers
- Organising external certificate validations and CPR practicals
- Working with the Volunteering Development Team Leader and monitoring the County First Aid inbox

WHO WE'RE LOOKING FOR

- Confident communicating with adults
- Enjoys delivering training, or is willing to learn
- Organised and proactive
- Keen to support and develop other volunteers
