120 Years of Scouting
Badge Design Competition

Scouts
Humberside

In 2027, we're celebrating **120 years of Scouting!** To mark this special milestone, we're inviting young people from across Humberside Scouts to get creative and design a commemorative badge that everyone can wear on their uniform.

We're looking for a design that celebrates 120 years of adventure, friendship, skills and unforgettable experiences in Scouting. What does Scouting mean to you, and how could you show that in a badge?

The winning design will be turned into a real badge, worn by Squirrels, Beavers, Cubs, Scouts, Explorers, Network and adult volunteers across Humberside!

And, of course, there will be a prize for the winning designer!

The design...
Your badge should celebrate **120 Years of Scouting (1907–2027)**. You could take inspiration from Scouting's history, the adventures we enjoy today or what makes Scouting special to you.

Our only requirements are:
- The design elements on the following page.
- The design should be suitable for all Sections, from Squirrels through to Network.
- It should not contain fine details that would be difficult to reproduce as an embroidered badge.
- Designs can be drawn by hand or created digitally.
- Remember, simple, bold designs often make the best badges!

How to enter...
If you'd like to enter, please complete the badge design template on the following page and submit your entry by **31st December 2026**.

Entries should be sent to:
120 Years Badge Design Competition
Raywell Park Activity Centre
Riplingham Road
Raywell

Alternatively, designs can be scanned or photographed and emailed to

We can't wait to see your ideas and discover the design that will help Humberside Scouts celebrate 120 years of adventure!
